

Anchoring & Fixing Systems

Chemical Anchors

- Vinylester - VYSF
- Pure Epoxy - BRSF
- Capsules - VA - AST

Light Fixings

- Nylon Plug F
- HBR - Hollow Block
- Insulation Fixings IPD
- Multi-function Frame Plug MFR

Mechanical Anchors

- Through Bolt - BAZ
- Concrete Screw BTS
- Through Bolt - BA Plus
- Drop-In- Anchor SA Plus
- Heavy Duty Anchors - SWA-Plus

Construction Machinery & Equipment

- **Masonry Saws for Construction Materials**

- Paddle Mixers
- Masonry Saws
- Portable Tile Saws
- Circular Saws for Wood
- Block & Stone Bench Saws

- **Rebar Processing**

- Rebar Tier
- Electrical Shears
- Electrical Stirrups Benders
- Electrohydraulic Rebar Cutters
- Benders / Combined Benders - Shears
- Manual Benders & Shears / Accessories

- **Paving Treatment**

- Scarifiers
- Floor Saws
- Vacuum Cleaners
- Power Cut-offs Saws
- Core Drilling Equipment
- Concrete Power Trowels
- Double-blade Floor Saws

Safety Products

- First Aid Kits
- Traffic Safety
- Facility Safety
- Identifications
- Foot Protection
- Safety Clothing
- Fall Protections
- Hearing Protection
- Hazardous Cabinets
- Security Equipment
- Eye / Face Protection
- Hand / Arm Protection
- Respiratory Protection

- Cargo Lashing
- Fall Protection
- Foot Protection
- Body Protection
- Head Protection
- Hand Protection
- Lifting Equipments

Fasteners & Stud Bolts

Fasteners

Product Range

Wood screws
Machine screws
Self tapping screws
and other various types of fasteners
Standard & non-standard bolts & nuts . . .

Thread Profile

ACME
Fine (UNF)
Coarse (UNC)
Extra fine Pitch
Custom made threading is available
ANC, ANF, UNS, BSW, BSF, BSP, NPT . . .

Sizes

1/4" up to 6 m length
3/16" (5mm) in diameter up to 6" (150mm) . . .

Coating / Plating

Zinc
Brass
Blacking
Chromium
Sheradised
Phosphating
Nickel Alloys
Stainless Steel
PTFE Floucarbon
Hot Dipped Galvanized
Cadmium Floor Coating..

Quality & Certifications

Chemical & Mechanical Certifications
ISO 9002 standards, ANSI, ASTM, DIN, BS
Where and when required are available ensuring
the products we supply meet the highest of standard . . .

Material

Teflon	Titanium	Marinel Alloy
Nylon	Tantalum	Super Duplex
Brass	Durehete	Phospher Bronze
Bronze	Hastelloy	Corrosion Resistant
Copper	Zirconium	Monel 400 & Monel K 500
Nimonic	Aluminium	Heat/Creep Resistant Alloys . . .
Incology	All-Bronze	
Hiduron	Naval Brass	

Stud Bolts

Material Grade

Our stock complies to BS, ASTM, A193, A320, A453, A540, A194/ASME Standards and is available ex-stock in B5, B6, B7, B7M, L7M/4M, B7A, L7, L7M, B16, B16A, B8, B8C, B8M, B8T, B8X, B8XC, B8MX, B8TX, B17B, B80A, L8, L8C, L8M, L8T, B21, B23, B24, L43, 6, 2H, 2HM, 4, 7, 7M 8, 8A, 8T, 8M, 8MA, 8T, 8C

Thread Profile

Available in most common thread profiles including UNC - 2B, ANSI B1.1, Metric , and 8UN-2B.

Coatings

ASTM A153 Hot dip galvanized, Zinc Coating, Cadmium Coating, PTFE, Phosphate, Sheradised...

Dimensions

Available from 3/8" to 6" in diameter & up to 5 meters in length.

Power Tools & Accessories

- Drills
- SAWALL
- Sanders
- Jig Saws
- LED Lighting
- Screwdrivers
- Circular Saws
- Biscuit Joiner
- Cordless Tools
- Job Site Radios
- Angle Grinders
- Percussion Drills
- Combi Hammers
- Impact Wrenches
- Sander / Polishers
- Dry Diamond Drills
- Metal Cutting Saws
- SDS-Plus Hammers
- Portable Band Saws
- Diamond Drills / Rigs
- Dust Extraction Units
- Magnetic Drill Stands
- Demolition Hammers
- Straight / Die Grinders
- Crimping / Cutting Tools
- Sheet Metal Cutting Tools
- Wall Chasers / Stone Saws

GREAT WORK LASTS LONGER.

Hand Tools

- Pliers
- Pullers
- Sockets
- Benders
- Tool Sets
- Spanners
- VDE Tools
- Hammers
- Wrenches
- Electrical Tools
- Electronic Pliers
- Impact wrenches
- Torque wrenches
- Knockout punchers
- Screwdrivers and Bits
- Combination Spanners
- Tools Storage Products
- Torque and Measuring Tools
- Grip Pliers and Joiners Clamps
- Cable Cutters & Crimping Tools

Magnetic Drill Machine

- Step drills
- Core drills
- Hole saws
- Spiral drills
- Special drills
- Milling pins
- Sawing program
- Deburring program
- Thread cutting tools
- Screw hole punching
- Sheet metal pail drills
- Core drilling machines
- Threaded tooling tools
- Conical and deburring countersink

Ladders & Scaffolding

Stocking a wide range of Ladders & Scaffolding
Including:

- **Single Ladders**
(from 2.40 m up to 7.5 m working height)
- **2 Section Push Up Ladders**
(from 2.41 m up to 9.14 m working height)
- **2 Section Rope Operated Ladders**
(from 4.66 m up to 12.55 m working height)
- **3 Section 2 Rope Operated Ladders**
(from 3.54 m up to 13.96 m working height)
- **Insulated 2 Section Push Up**
(from 2.41 m up to 7.79 m working height)
- **Insulated 2 Section Rope Ladders**
(from 4.1 m up to 11.16 m working height)
- **Insulated Double Side Step**
(from 1.6 m up to 5.10 m working height)
- **2 Section Combination Ladders**
(from 2.43 m up to 8.09 m working height)
- **3 Section Combination Ladders**
(from 2.83 m up to 10.16 m working height)
- **Aluminum Rolling Scaffold**
(from 2 m up to 14 m working height)

Storage Systems & Material Handling

- Hoists
- Winch
- Chains
- Pullers
- Lockers
- Forklifts
- Stackers
- Stack Bins
- Plastic Bins
- Lifting Nets
- Scissor Lifts
- Dock Leveler
- Lifting Slings
- Caster Wheel
- Boltless Racks
- Wire Shelvings
- Bulk Containers
- Cantilever Racks
- Mobile Shelvings
- Material handling
- Shelving & Storage
- Pallet Rack Decking
- Wooden & Plastic Pallets
- Bins, Totes & Racks Systems
- Hazardous Storage Cabinets
- Gravity Flow Shelving & Racks

Abrasive Discs & Accessories

ROUGH CUTTING & GRINDING

- Alu / C24R
- Alu / A24O
- Rail / A24Q
- Long Life Inox
- Long Life Metal
- Ultra Thin U-Cut
- Chop Saw Metal
- Stationary Metal
- Stationary Stone
- Petrol Saw Metal
- Petrol Saw Stone
- Ultra Thin Metal /Inox
- General Purpose Metal
- General Purpose Stone

FINISHING & POLISHING

- Flat Type
- Fibre Discs
- Conical Type
- Backing Pads
- Semi Flexible Discs
- Flap Wheels with Shaft
- Non-woven Cleaning Discs
- Non-woven Cleaning Wheels

DIAMOND CUTTING

- Asphalt (Asphalt, Asphalt over Concrete, Green Concrete)
- Ceramic (Ceramic Tiles, Porcelain, Marble)
- Laser 900 (Building Materials)
- Turbo 800 (Building Materials)
- Turbo 900 (Building Materials)
- Laser Dual (Reinforced concrete and Steel)
- Laser Super (Reinforced concrete and Building materials)
- Turbo Super (Building Materials, Granite, Hard Bricks)

Pneumatic Tools

- Drills
- Dusters
- Couplings
- Spiral Hoses
- Angle Sanders
- Angle Grinders
- Angle Polishers
- Ratchets & Sockets
- Angle Die Grinders
- Reversible Hammers
- Filter Regulators and Lubricators
